### **Adoption / Homing Questionnaire**

Please take the time to complete this form in as much details as possible. This will enable us to match the right dog to you and your family.

All dogs will be vet checked, spayed/neutered and vaccinated before entering their new home. We ask for a **minimum** donation of €150 to cover these vet costs. These costs are at a discounted rate.

If for ANY reason you can no longer care for the dog you have adopted, the dog will have to be returned to Dogs In Distress and NOT passed onto anyone else.
